# PRESCHOOL

## 2026-2027 PRESCHOOL PROGRAMS | AGES 3-5

### PRESCHOOL PROGRAM

Seattle Parks and Recreation offers half-day or full-day preschool programs at various locations across Seattle. These low-cost early childhood programs provide a safe, happy, and healthy learning environment for preschool children.

Seattle Preschool Program (SPP) utilize *Creative Curriculum for Preschool* from Teaching Strategies Gold (TSG). This research-based curriculum offers early childhood educators a comprehensive collection of resources and assessment tools to help them build high-quality programs. Children will be observed and assessed using the Creative Curriculum developmental objectives.

Our school-readiness preschool programs meet the developmental needs of young children, focusing on emotional, social, physical, and cognitive skills. Classrooms are set up with rich environments, fun-filled learning areas, consistent schedules and routines, and both large and small group times. 1. **To participate in most Seattle Parks Youth Sports leagues you can either recruit a coach and put together your own team or you can be placed on an existing team with the help of community center staff.**
   Call for more information. For some sports (Track and Field, for example) all you need to do is go into your community center to get registered.
2. **Get registered!**
   Visit your local community center or go to:
   www.seattle.gov/parks/athletics recreation/sports/youth-sports
3. **Start practices and get ready for fun times!**
   Hone your skills and compete against other neighborhood community centers!

*If your center doesn't offer a sport, the staff will refer you to the next closest center. Centers need a minimum number of players and a volunteer coach to offer the sport.*

### KNOW ANY COACHES?

Consider volunteering as a coach, or helping with recruitment of our coaches. Our low-cost leagues can't operate without the dedication of our awesome coaches!

# ADDITIONAL INFORMATION

## PAYMENT
You can pay for classes and other activities in person or by phone during regular facility hours. You can also register online by following the directions above. Rentals may be paid by telephone with a credit card. We accept Visa, MasterCard, and American Express. Please make checks and money orders out to City of Seattle. Please note: Payment is due when you register, unless we have indicated otherwise. If your check is returned for insufficient funds, your registration will be canceled until you pay the amount due plus a $20 fee. Registration is not complete and a spot in the class cannot be held without payment in full.

## FEES AND CHARGES
ARC-Our Advisory Council provides the programs and activities listed in this brochure under an agreement with Seattle Parks and Recreation. Fees are used to offset the cost of providing the programs. Program charges include a user fee paid to Seattle Parks and Recreation to defray operating costs. Washington State sales tax is also included where applicable. City-Fees and charges are necessary to provide financial support to Seattle Parks and Recreation for the operating costs of programs, facilities and grounds. The revenue generated by these fees constitutes only a portion of funds required for operating and maintaining the Parks system. All fees collected from activities and concessions are used exclusively for the Parks system as these funds are deposited in the Parks and Recreation Fund, not the City General Fund. Swimming pool fees and charges are set by City Council.

## CONFIRMATIONS
Sorry, we cannot confirm class registration by mail or phone, but we will notify you by phone if your class is postponed or canceled.

## REFUNDS
It is the policy of Seattle Parks and Recreation and the Associated Recreation Council that:
-A full refund will be issued for any program, activity, or reservation that is canceled for any reason by the Department or the Associated Recreation Council. Note: School-age care programs are subject to the following exceptions from the published refund policy: 1) No refund credit is given if program is canceled due to emergency or weather for the first two canceled days, 2) Cancellation of daily sessions will not be rescheduled. Credits will be determined by a Recreation Manager on a case by case basis.
-Any person who registers for a PROGRAM and who requests a refund before the second class session may receive a prorated refund minus a service charge.
-Any person who registers for an ACTIVITY and who requests a refund 14 days or more before its start, may receive a refund minus a service charge.

## DROPPING A PROGRAM AFTER THE SECOND SESSION:
If a participant withdraws from a program after the second session of a series, no refund will be given. For full details of the Department's Refund Policy, please see Policy Number 060-P 7.16 which can be found here: seattle.gov/parks/rentals-and-permits/event-planning-tools/refunds-reductions-and-waivers

## POOL PERSONAL LESSON REFUND/TRANSFER POLICY
A participant may be issued a refund if he/she drops a lesson, and notifies the program coordinator, 14 days prior to the scheduled date. A service charge of $5 or 10% of the fee, whichever is greater, will be retained by the facility. If a participant drops a personal lesson with less than 14 days notice, no refund will be given. Transfers will be accepted for personal lessons with at least 48 hours notice. Any open dates or times may be considered. No transfers will be accepted with less than 48 hours' notice.

## GROUP LESSON REFUND POLICY
When the withdraw occurs before the second lesson, the session will be pro-rated and a withdraw fee will be assessed. The withdraw fee will be 10%.

## CLASS CANCELLATIONS
To cover the cost of providing a program, we need a specific number of participants. If too few people sign up for a class, we must cancel it. We'll notify you (at the latest) one or two days before the class start date. When possible, we will postpone a canceled class for a week to allow for more enrollments; if the class minimum is not met by then, we will have to cancel it.

## WAITING LISTS
We will create waiting lists for all filled classes. Please be sure to sign up if you are interested in a class that is full, because class openings often become available. If demand is high, we will try to form another class. Please contact us for space availability.

## SCHOLARSHIPS
Seattle Parks and Recreation wants to ensure that our activities, classes and sports are available to everyone, regardless of their ability to pay. To apply for a scholarship, please talk to a member of our staff.

## ANTI-DISCRIMINATION
As a matter of policy, law, and commitment, Seattle Parks and Recreation does not discriminate on the basis of race, color, sex, marital status, sexual orientation, political ideology, age, creed, religion, ancestry, national origin, or the presence of any sensory, mental, or physical handicap.

## ACCOMMODATION FOR PEOPLE WITH DISABILITIES
We will make reasonable accommodation, upon request, for people with disabilities. For sign language interpretation, auxiliary aids or other accommodations, please email: pks_info@seattle.gov. Please allow 10 working days' advance notice. If a class or activity is scheduled in an area that is not accessible for wheelchairs, we will make every effort to help you find a similar program in an accessible location.

We're always looking for top quality instructors to offer unique courses. We choose class offerings based on participants' interest and space availability. If you have a special talent, skill, or knowledge you would like to share with others in a class or workshop format, please contact your local community center.

## INSURANCE
An additional $5 insurance fee will be required when registering for all gymnastics, tumbling, or circus arts classes at Seattle Parks and Recreation facilities. This non-refundable fee covers your child's participation in all gymnastics, tumbling, parkour, or circus arts classes at SPR facilities for one year from the date of purchase. Note: This insurance will only be utilized if expenses exceed your primary insurance coverage.

# ILLNESS GUIDELINES

## Prevent the Spread of Illnesses When You're Sick

**If you are currently showing symptoms of an illness, please stay at home.** If you have been ill within the last 7-14 days, please reference either Department of Health (DOH) or Center for Disease Control (CDC) guidelines before participating in programs.

### Here are some guidelines to help you know when to come back for programs.

**Return to your normal activities when, for at least 24 hours, both are true:**

- Your symptoms are getting better overall, and
- You have not had a fever (and are not using fever-reducing medication).

**When you go back to your normal activities, take added precaution over the next 5 days, such as:**

- Taking additional steps for cleaner air
- Wear hygiene masks
- Practice physical distancing from others
- Test for Covid when you will be around other people indoors and think you may have been exposed.

Keep in mind that you may still be able to spread viruses that made you sick, even if you are feeling better. You are likely to be less contagious at this time, depending on factors like how long you were sick or how sick you were.

**If you develop a fever or you start to feel worse after you have gone back to normal activities, stay home and away from others again until, for at least 24 hours, both are true:** your symptoms are improving overall, and you have not had a fever (and are not using fever-reducing medication). Then take added precaution for the next 5 days.

**Refunds are not issued for missed programs due to illness.**
