How to Register

All students must turn in, or have on file, a completed E-13 Participant Information and Authorization form to register for class. Once completed, E-13 forms are good for one school year.

Classes are formally being run through [Loyal Heights Community Center](#), where you can turn in all of your paperwork and receive more information about classes, registration, and scholarships.

FIRST CHOICE

Stop by your local community center to register for programs and meet the staff. Staff welcomes face-to-face interaction! Please note hours of operation as they vary across community centers.

SECOND CHOICE

Online registration using the SPARC system by going to seattle.gov/parks and clicking on SPARC. Please note that you will need to set up an account prior to having access to the online SPARC system. This may take up to a week to process. We do our best to set up accounts for registration within 48 hours.

THIRD CHOICE

Call your local community center during our hours of operation at the phone number listed above, or at: seattle.gov/parks/centers.asp. All staff can assist you with registration during operating hours.

What You Need to Know

Registration and Payments:

Registration opens Sept. 6, 2016. If you have never participated in a Seattle Parks and Recreation sponsored program, please sign up at the community center where they can create an account for your family. Once an account is established, you may call **Loyal Heights CC**, stop by, or pay on-line through SPARC. If you register on-line please email the community center coordinator who your child's classroom teacher is and where your child will be going after class. Registration is open for all classes until the day prior to the start of class. **Remember: All students need a Participant Information and Authorization E-13 form prior to participating in any after school classes.**

Scholarship:

To apply for a scholarship, complete and return a scholarship application to the community center. Applications can be found in the **Loyal Heights Elementary** main office, **Loyal Heights CC**, or can be downloaded at bit.ly/sprscholarships. Scholarship award and co-payment will be determined based on income qualification.

Refund Policy:

It is the policy of Seattle Parks and Recreation and the Associated Recreation Council that:

- Anyone who registers for a class that is cancelled for any reason will receive a full refund.
- Anyone who registers for a class and who requests a refund prior to the second session of the class may receive a refund minus a service charge of \$5 or 10% of the fee, whichever is greater.

OH NO! My class got cancelled!

Most classes require a minimum of 6 participants in order to be financially sustainable. We do our best to avoid cancelling classes. However, classes that do not meet minimum enrollment requirement are cancelled prior to their start date. We do prorate class fees to reflect late registration for classes that meet minimum enrollment requirement prior to their start dates.

PLEASE REGISTER EARLY!

Snack and Clothing:

The After School Enrichment Program will provide a snack for each student. Please send your children with clothing appropriate for their classes.

Behavior:

We have the expectation of respect for teachers/instructors and good behavior during classes. Students are expected to maintain the same behavioral standards that they would during the formal school day. If an instructor determines this is not the case the following steps will be taken:

- At the first incident, the Community Center Coordinator will contact parents/guardians regarding student behavior.
- The student will be given one trial class to improve.
- If the disruptive behavior continues, the student will be removed from class.

The program is unable to issue a refund if the student is removed from a class due to a behavioral issue. Please discuss enrollment with your child to be sure they want to attend an after school class.

Picking up Your Child:

Your child must be picked up on time. Our program does not provide childcare after class is over at **5:00 p.m.** or **6:00 p.m.** (except for coding that ends at 5:30 on Wednesdays), and the playground is not supervised at that time. If your child is picked up late, you will be charged \$1/minute for every minute past **5:00 p.m.** or **6:15 p.m.** that you are late. Please call the **Loyal Heights Community Center** if you are going to be late. Your student can only be picked up by persons listed on the E-13 form. Students will be directly picked up from their classrooms and must be signed out.

Absences/Changes:

Please contact the **Loyal Heights Community Center** as soon as possible with any of the following:

1. Your student will not be attending class (but was at school).
2. Your student was absent from school and will not be attending the After School Program.

Questions/Concerns:

Once a class has begun, if you have any issues or concerns regarding a class, please contact the **Program Administrator**, or email the **Community Center Coordinator**. The **Program Administrator** will be on-site and available during program hours all quarter.

CLASSES

Art Wizards (Grades 1-5)

In Art Wizards kids learn to draw what kids find exciting! Anyone can learn to draw by learning how to see and that's where we start. Students are given all the information they need to be successful while encouraging their imagination. Drawing projects include fish, birds, animals, people, landscapes, still life, mythical creatures, movie characters, and cartoons. Students will learn how break down a scene or character so it comes out looking the way they want it to. We show students how to use chalk and oil pastels, or when it's better to use colored pencils, and where markers and watercolor fit in. It's fun! It's exciting! It's rewarding! And learning to draw can have a super-positive effect on other subjects too. Check out the Student Art Gallery at artwizards.org.

CLASSES

Creative Coding 4 Kids (Grades 1-5)

Creative Coding teaches your child to code by helping them make their own custom video games! Our project based, multilevel classes are amazingly fun yet very effective in teaching creative problem solving AND emotional resilience. As your creative girl or boy has fun bringing their ideas to life, they iterate through the emotional cycle of Coding (idea>excitement>effort>frustration>more effort>triumph!) With our support and positive encouragement. Repeating this cycle not only builds great coders, but more importantly, develops emotional persistence that will help students enjoy taking on new challenges in all aspects of their lives.

Students new to coding will participate in the Creative Coding core curriculum, learning the fundamental elements of coding using MIT's Scratch to create their very own computer games!

Students with previous Scratch experience will enjoy the Advanced Curriculum, where each day contains a unique mix of coding challenges, techniques, and hacks. Our classes are designed to be repeated an infinite number of times. As students complete a class, they go up one level, like in video games, and increase their coding skills, speed, and proficiency. Many parents and educators are realizing that the benefits of learning to code at a young age extend far beyond the skill itself. Through the "brain exercise" of coding, coders build intelligence like athletes build muscles. Just as importantly, they develop stronger problem solving skills, confidence over technology, and emotional persistence. For more info, visit creativecoding4kids.com.

No student is turned away due to the inability to pay, please check our scholarship options with the Community Center and with Creative Coding.

PARENTAL CONSENT, RELEASE AND WAIVER OF LIABILITY, ASSUMPTION OF RISK, AND INDEMNITY AGREEMENT

EVENT(S): All programs and activities offered by or through Seattle Parks and Recreation and Associated Recreation Council including but not limited to recreation activities and classes, school age care, preschool, teen programs, special events, field trips, sports, and athletics.

IN CONSIDERATION of my minor child ("the Minor") being permitted to participate in any way in the EVENT(S), I agree: I know the nature of the EVENT(S) and the Minor's experience and capabilities, and believe the Minor to be qualified to participate in the Event(s). The Minor and I will inspect the premises, facilities, and equipment to be used or with which the Minor may come in contact to ensure it is safe to our satisfaction. I have spoken with the Minor about the dangers of the activities and the fact that the Minor could—for a variety of known, unknown, foreseeable and unforeseeable reasons, **including negligence** of the City of Seattle, its employees and volunteers, officers and agents—be seriously injured. In extreme cases, such injuries could include permanent disability, paralysis or even death ("risks"). Even understanding these risks I consent to the Minor's participation in the Event(s) and assert that the Minor is willing to participate in the event.

I accept and assume all risks, and assume all responsibility for the losses, costs and/or damages following an injury related to the Event(s), including disability, paralysis or death, even if caused in whole or in part by the negligence of the following releasees: the City of Seattle, its employees and volunteers, officers and agents. **My acceptance of these risks includes releasing and agreeing not to sue the releasees. I also agree to indemnify and save and hold harmless the releasees and each of them from any and all litigation expenses, attorney fees, loss, liability, damage, or cost they may incur due to a claim made against any of the releasees identified above based on an injury to the Minor, whether the claim is based on the negligence of the releasees or otherwise and whether the claim is made by me, is made on behalf of the minor, or is otherwise made.**
