

# LET'S TALK ABOUT THE SEATTLE PARK DISTRICT

In 2014, Seattle voters approved the Seattle Parks District that provides Seattle Parks and Recreation with funds to more rigorously invest in maintenance, recreation affordability, park development, and community events and programs. We have been investing these dollars back into parks and communities for the last six years, and it's time to propose a plan for another six years of investment.

## PLEASE JOIN US

 in creating a plan for how we strengthen our parks and invigorate our communities:

### DELRIDGE

#### COMMUNITY CENTER

4501 Delridge Way SW

**MONDAY, MARCH 2, 2020**

6pm to 8pm
