

# MARRA-DESIMONE PARK IMPROVEMENT PROJECT

The Marra-Desimone Park improvement project is moving forward and we need your input! Seattle Parks and Recreation is completing the design for the improvements of this 8.7 acre community park. Our goal is to gather input from you and our community partners that will inspire the park's design. We anticipate the next phase of your park will be built by the fall 2016.

Seattle Parks and Recreation invites you and your family to participate in the Marra-Desimone Park kick-off public meeting. At this initial meeting Seattle Park and Recreation and Barker Landscape Architects will provide background on the project, and gather community input on park elements and design features. The park improvements will focus on park access for all, safety in design with good site-lines, space for community well-being with recreation and gathering spaces, and an enhanced farm and garden.

This project is funded by the 2008 Parks and Green Spaces Levy. The Long Range Development Plan developed with community input in 2008 will guide the design process.

Marra-Desimone Park is located at  
9026 4th Avenue South

Dự án cải tiến Công Viên Marra-Desimone sẽ được tiến hành và chúng tôi cần sự góp ý của quý vị! Sở Phụ Trách Công Viên và Hoạt Động Giải Trí Seattle (Seattle Parks and Recreation) đang thực hiện bản thiết kế cải tiến cho công viên cộng đồng 8.7 mẫu này. Mục tiêu của chúng tôi là thu thập ý kiến từ quý vị và những cộng tác viên trong cộng đồng qua đó sẽ gây cảm hứng cho việc thiết kế công viên. Chúng tôi dự đoán phần kế tiếp của công viên sẽ được thực hiện vào mùa thu 2016.

For special meeting accommodations or questions about the project please contact Jay Rood, Seattle Parks and Recreation Project Manager.
